Packages for any size business

Project Details

Project Name: Full Sales & Marketing Campaign
Client: Countrywide Park Homes
Category: Design & Content, Digital Marketing, Print, Branding, TV advert, Social Media Management
Project Year: May 2020 – ongoing

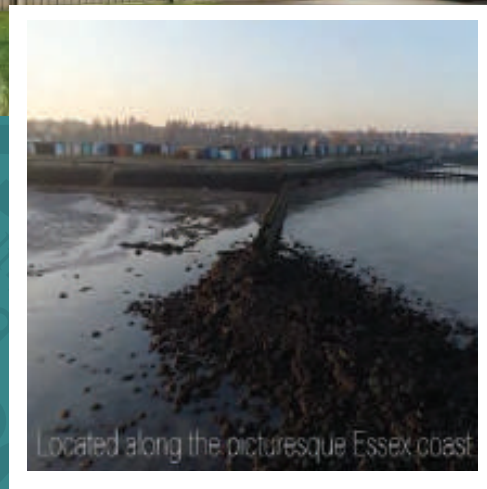

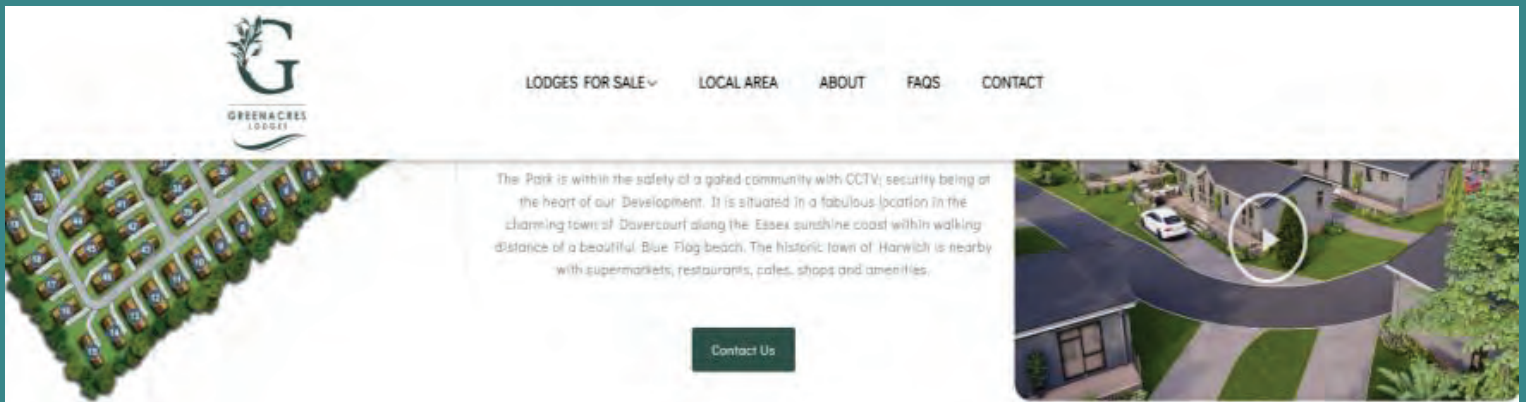

Countrywide Park Homes

Countrywide required a sales and marketing overhaul, starting from the ground (branding) up! Once the marketing basics was in place we looked to enrol the branding structure onto the website, digital marketing, print advertising, as well as social media. Across the summer months filming took place with Bobby Davro and Roman Kemp for new content as well as ITV competitions. During a period of lockdown and covid the success of the sales and marketing of the parks only grew and excelled previous sales.

Project Details

Project Name: Re brand & new website
Client: Greenacres Lodges
Category: Design & Content, Digital Marketing, Video production
Project Year: January, 2022

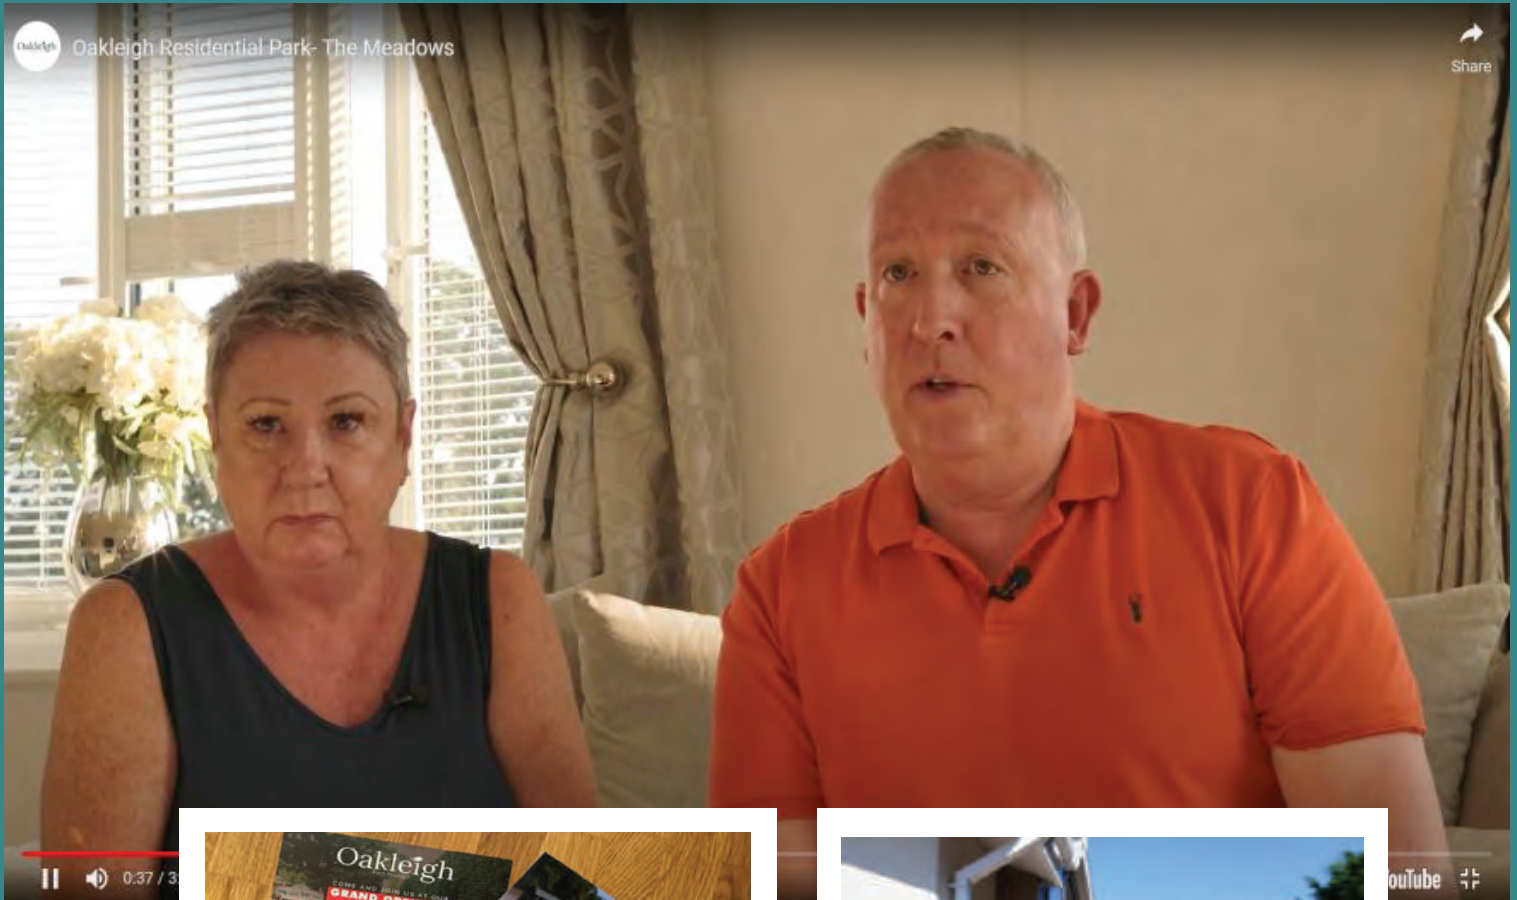

Greenacres Lodges

Greenacres required a new brand and website to launch their park, this project was outsourced to us via a contractor acting on behalf of the client. Along with designing a new logo and brand guidelines, we designed and launched a new website to match seamlessly with their new branding. This project also involved a video production to relay the story of the local area to potential customers as well as to demonstrate with look and feel of the park once development has been completed.

Project Details

Project Name: Video production & Marketing
Client: Oakleigh Park Homes
Category: Design & Content, Digital Marketing, Video production
Project Year: April, 2015

Oakleigh Park Homes

We have been working with Oakleigh Park Homes for a while, as and when they may require our services. Over the years we have created new artwork for print advertising as well as brochures, show van designs, digital marketing, social media management and most recently a promotional video and photoshoot to allow them to display in the reception area and whilst exhibiting at shows.

Project Details

Project Name: CGI Images
Client: Lower Chatley Lakes
Category: CGI Imagery
Project Year: June 2022

Lower Chatley Lakes

The Lower Chatley Lakes project was a simple and fulfilling campaign, which will allow the client to sell off plan homes, whilst the homes are in build.
